

# Business Advisory

## More than just advice

Nexia Australia recognises that business owners are the foundation of Australia's economy, propelling job generation and economic progress that uplifts communities. Our team understand the variety of challenges faced by business owners and leaders within business life cycles - whether its planning growth, managing growth, working through a recovery period or managing cash flow and people.

We know that every business is unique. That's why, at Nexia Australia, we take a personalised approach to our services. Your dedicated team will work closely with you to understand your business, operations, goals, systems and processes and your team. We will then tailor a personalised plan to achieve your business goals.

At Nexia Australia, we believe that real value exists on the other side of where most people stop, and that sets us apart.

## Services

- Strategic business and structuring advice
- Business value maximisation
- Growth plans
- KPI and management reporting and benchmarking
- System review and process re-engineering
- Integrated forecasting and budgeting with real-time monitoring
- Succession, transition and estate planning
- Family office services
