Who we are

Nexia Australia is a full-service accounting and advisory firm supported by global links to Nexia International.

We exist to help people and businesses grow and become successful, and this drives our dedication to providing quality, personalised services for individuals and firms in the medical sector. We know that while we are in the business of accountancy and advice, we are actually in the business of people — because we believe that when great people are aligned, great things happen.

We are responsive, progressive, and proactive so that our clients, large or small, receive outstanding value and benefit from our expertise.

Nexia Australia's clients

- Small to medium enterprises
- Large private company groups
- For-purpose (Not-for-profit) entities
- Subsidiaries of international companies
- Publicly listed companies
- Market leaders in different sectors of Australian businesses

Why Nexia Australia

Our global network

Nexia offers advisory, tax and audit services worldwide. When you choose Nexia, you get a more responsive, more personal, partner-led service.
