

Outsourced Chief Financial Officer (CFO)

More than just advice

At Nexia Australia, we support your business in achieving your current goals and empower you to focus on what comes next.

In today's rapidly changing and fast-paced business environment, small-to-medium-sized businesses can benefit from the knowledge and skills of an experienced CFO.

By outsourcing your business's finance function with our team of experts, you benefit from the expertise of qualified financial professionals who can help your business achieve profitable growth and success by unlocking its true potential.

We offer tailored solutions that meet your business needs. Our experts will help you to navigate and overcome the daily challenges businesses face.

Services and advice

- Analysis of pricing and product/service decisions
- Financial modelling (sales projections, break-even analysis, cash flow analysis)
- Budget and financial forecasting
- Strategic business planning
- Accounting and financial management reporting (including debtor and creditor payments, payroll, corporate secretarial)
- Design and refinement of internal accounting systems, with a focus on maintaining data integrity and software implementation
- Human resources consulting
- Developing and monitoring of Key Performance Indicators (KPIs), best-practice benchmarking
- Sales and marketing consulting, bank investor and third-party negotiations

Helping you navigate to long-term success

Our dedicated team will help you to create an effective finance function to allow you to make strategic decisions and focus on profitable and sustainable growth.

At Nexia Australia, we understand the complex challenges that businesses face on a daily basis. We recognise that you're occupied with building and maintaining a successful business, so we can provide comprehensive financial and management reporting support to help you to capitalise on opportunities and manage risk.

We have the experience and business insights for you, as a business owner, to navigate these challenges and make informed decisions. With Nexia Australia, you can be confident that your business is in safe hands.

Who we are

At Nexia Australia, we have the local skills, national depth, global reach, and experience to help your business success.
